2020/21 Ballet Arts School of Dance Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID 19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Ballet Arts School of Dance ("the School") has put in place preventative measures to reduce the spread of COVID-19; however, the School cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending the School could increase your risk and your child(ren)'s risk of contracting COVID-19.

By signing this agreement, I voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the School and that such exposure or infection may result in illness and/or death. I understand that the risk of becoming exposed to or infected by COVID-19 at the School may result from the actions, omissions, or negligence of myself and others, including, but not limited to, School employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any illness to my child(ren) or myself in connection with my child(ren)'s attendance at the School or participation in School programming ("Claims"). I hereby release and hold harmless the School, its employees or volunteers, of and from liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the School, its employees and volunteers whether a COVID-19 infection occurs before, during, or after participation in any School program.
